

# AUTO BODY REPAIR & REFINISHING

BEEN IN AN ACCIDENT? NO WORRY. WE'LL GET YOU BACK ON THE ROAD!

Sianghin is committed to serving the automotive needs and recognizes the importance of customer service. As customers' expectation is constantly changing, the company recently launched its first collision center in Cheras, Kuala Lumpur, to better serve the customers in the region. The repair workshop is staffed by professionally trained and certified service specialists and is equipped with the most up-to-date diagnostic equipment and special tools to provide authorized service and to maintain a full supply of genuine spare parts. With this expansion, we are able to deliver a complete end-to-end customer experience across multiple channels and touchpoints. We also welcome all car owners to visit our new repair workshop for the best aftersales care and repair solutions that our team can offer. Additionally, our customer service estimators work hard to ensure that our estimates represent the actual cost of the repair work.

📍 2 & 4, Jln Kencana 20, Tmn Kencana, Cheras 56100 Kuala Lumpur
