Specs may vary according to variant.

Power optimised for your needs

Equipped with all the power you need for your next endeavour the new Ranger WildTrak 3.0L V6 Turbo Diesel comes with the features you need to ensure that power is directed where you need it most.

E-shifter

Simple and intuitive gear selection with manual mode option.

*Only available for Ranger WildTrak 3.0L V6 Turbo Diesel and Ranger Platinum.

3.0L V6 Turbo Diesel Engine

Built to deliver all the power,torque and efficiency you need with refined and responsive transmissions.

*Only available for Ranger WildTrak 3.0L V6 Turbo Diesel.

20" Wheels with Alloy Rims

Master all terrains with superior grip and performance.

*Only available for Ranger WildTrak 3.0L V6 Turbo Diesel.

TECHNOLOGY

An interior engineered for the greatest ride experience

A collection of innovative and practical features to ensure a comfortable and enjoyable ride at all times.

Zone Lighting*

Light up the area around your vehicle for safety and comfort at night.

4A Drive Mode

With 2H, 4A, 4H and 4L modes, the system automatically adjusts torque in 4A for confident control on any terrain.

*Only available for Ranger WildTrak 3.0L V6 Turbo Diesel & Platinum.

CONNECTIVITY

Built for practicality and performance

Designed to be fun and functional,
the best pick up for work or play.

C-Clamp Matrix LED Headlights*

Iconic styling surrounds powerful
headlights that generate less heat
for optimised battery power.

Rear Box Side Step

An integrated side step makes it easier
and safer to climb up into the cargo
box.

*Only available for Ranger WildTrak 3.0L V6 Turbo Diesel & Platinum.

C-Clamp LED Headlights

Flanking the bold new grille are signature C-Clamp shaped headlights reflecting the distinctive look of the Next-Gen Ranger.

LED Tail Lights

LED tail lights clamped onto the new tailgate.

50mm Increased Wheel Base and Width

The Ranger is now wider and longer, which means enhanced on-road stance and off-road ability.

Wider Stance

The fender flares, larger wheel arches, strong shoulder line and wider track bring about a dramatic sculpted effect and a more athletic look.

Designed for your Ranger life

The Ranger is built just the way you want it. Engaging with Ford customers in over 5,000 interviews around the world, our designers now bring you the world's best pickup for work, family and play.

VERSATILITY

An all-rounder for work play and family

The Ranger is now packed with even more features, to inspire you to do more of all that you love.

Whatever it is you want to do next, count on the Ranger to deliver on functionality and versatility.

Easy – Lift Tailgate

Easy-lift tailgate, which can be raised and lowered with one hand, doubles as a mobile workbench with a surface suited for any Do-It-Yourself jobs.

Only available on Ranger WildTrak and XLT Plus.

Extra Storage*

Dedicated storage compartments allow you to be better organized, while a wider cargo bed provides space for more gear and equipment.

*Image shown is a Ranger WildTrak.

Spacious Cab

Fully reclining front seats and fold-flat rear seats allow room for larger items or to relax in greater comfort.

New Bedliner Design

Create compartments for better organisation with dividers that are easily installed into the moulded slots. They also protect your cargo by keeping it in place.

SAFETY

-  Lane Departure Warning & Assist (LDW)
-  Autonomous Emergency Braking with Pedestrian Detection
-  Rollover Mitigation

Greater ease on your next journey

Keeping you and your loved ones safe is paramount. With advanced safety features and new driver assistance technology, you can go anywhere – on-or off-road – with assurance.

Reverse Brake Assist*

A feature that will help you avoid a collision when driving in reverse.

Evasive Steering Assist*

The Next-Gen Ranger is equipped with the feature that will help you avoid frontal collision that monitors your driving conditions.

360-Degree Camera*

Park with confidence with the 360-Degree camera and parking sensors that Ranger have you covered

Adaptive Cruise Control with Stop-and-Go and Lane Centering*

Set your cruising speed to maintain a set pacing distance from the vehicle in front. When that vehicle slows down, so will your Ranger.

Lane Keeping Sensor

To prevent drifting off the road, it has a camera to monitor road edges, day and night. Available for all models except Ranger XLT & XL.

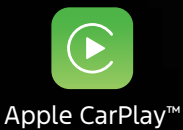

Cross Traffic Alert*

Once shifted into Reverse, the system will alert you of vehicles approaching from the sides.

*Only available for Ranger WildTrak and Platinum.

10.1-inch / 12-inch Infotainment Screen

Large high-resolution touchscreen in portrait format allows ample space for navigation and other functions. Compatible with Wireless Apple CarPlay™ and Android Auto™.

8-inch Digital Instrument Cluster
Enhances your driving experience by neatly organising all the information you need while driving.
*Available for all models except Ranger Platinum.

The next level In user experience

Customer-focused technology such as the cutting-edge SYNC®4A infotainment system and large-format digital touchscreen make this pick-up the smartest Ranger yet.

Wireless Charging
Wireless charging pad* saves you the hassle of having to plug in your phone. It is also compatible with the latest Qi Technology.
*Available for all models except Ranger XL.

SYNC®4A
Ford's latest communication and entertainment system will keep you connected in a smart, clutter-free manner.

On jobs and off-roads Ranger XLT Plus Special Edition

Packed with a collection of versatile components, the Ranger XLT Plus Special Edition makes for a perfect companion in your every endeavour, both in work and play.

**Matte Black
Fender Flares***

Fend off debris with robust protection and rugged design.

**Matte Ranger
Side Decal***

A stylish and prominent vinyl decal that adds a touch of personality.

**Matte Black Sports bar
& Ranger Rear Decal***

A durable accessory with a sleek matte black finish, ideal for mounting lights, flags, or other gear.

**Matte Sports
Hood Decal***

Grace the face of your Ranger with a revamp, giving it some added character.

**Pull-out
Cup Holder***

Take functionality up a notch with secure holders, available for both the driver & passenger.

**LED Ranger
Scuff Plate***

Announce your presence not with words, but with luminance.

*Only available for Ranger XLT Plus Special Edition.

The Next Chapter Awaits. Are You Ready?

Ignite the future and take control of what's next with the most versatile Ranger pickup yet. As unrivaled performance and superb comfort merge together, look forward to the next exciting phase of life.

Ranger Platinum

DESIGN & VERSATILITY

Ranger Platinum

An abundance of features coupled with elegant design language, creating the pinnacle of form and function – ready to take on every aspect of life.

*The vehicle does not come equipped with any roof rack accessory or outdoor equipments as part of its standard features.

Luxurious finish

Platinum Grille

A unique grille with accented mesh and chrome accents. Continuing the signature C-Clamp design, with Matrix LED headlights and 'PLATINUM' emblem.

Platinum Emblem

Rear LED Tail Lights with Platinum badge with 'RANGER' embossed tailgate.

Premium Seats with Memory Setting

Heated & ventilated seats with premium leather accents and quilt design to maximise comfort.

Platinum Finish

A premium finish with chrome lining and stitching along the dashboard and seats.

Refined versatility

Swing-in-Place Roof Rail

Carries long items such as kayaks, canoes, surf boards or ladders with ease and convenience

Flexible Rack System

The new flexible roof rack system is easy to slide and locks into five positions along the cargo box for long items.*

Power Roller Shutter

Secure your gear remotely via your key fob or with the button at the side of the cargo bed.*

20" Rims

Conquer every terrain with better control and performance.

Ranger Platinum extravagant enjoyment

Carefully curated to liberate your senses. A culmination of endless innovation, bringing you comfort and practicality designed to make every journey one to remember.

State-of-art interior system

High-tech Interior

First-in-class 12-inch vertical infotainment screen, a configurable 12.4-inch digital instrument cluster, and wireless Apple CarPlay™ and Android Auto™.

E-Shifter

Simple and intuitive gear selection with manual mode option.

Bang & Olufsen® Sound System

Premium audio system featuring 8 speakers.

Wireless Charging Pad

Keep your phone charged without the hassle of wires.

Illustration, descriptions and specifications. This catalogue was correct at the time of upload. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Optional equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability in the market. Note. Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various aspects. In addition, some of the features shown on the vehicles may be optional. Note. This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. Note. The Bluetooth[®] trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under license. Other trademarks and trade are those of their respective owners.

Brochure was last updated on 22nd August 2025.
